

PROFILE

WHO WE ARE

The **Japanese Chamber of Commerce and Industry of the Philippines, Inc. (JCCIPI)** is a non-profit organization established in **November 1973**, representing Japanese-affiliated businesses operating in the Philippines. As one of the largest foreign chambers in the country, JCCIPI serves as a central platform for fostering strong business relationships, supporting member growth, and strengthening Japan–Philippines economic ties.

OUR MISSION

JCCIPI supports the business activities of its members in the Philippines and promotes increased foreign investment into the country, while advocating for an improved business environment that benefits both the Philippines and Japan. The Chamber fosters strong relationships among member companies and provides timely, relevant services to facilitate smooth and efficient business operations.

WHAT WE DO

- **Business Support & Services:** Provide timely information, services, and guidance to help members operate effectively in the Philippine business environment.
- **Policy Advocacy & Government Engagement:** Represent member interests through dialogue with government agencies, participation in policy discussions, and collaboration with key stakeholders.
- **Networking & Industry Collaboration:** Facilitate connections among members through seminars, forums, committees, and business events, including engagements with other foreign chambers.
- **Information & Training:** Share updates, reports, and learning sessions to keep members informed on economic trends, regulations, and industry developments.

OUR ORGANIZATION

- **Board of Directors** – Strategic leadership and oversight
- **Committees** – Sector-focused collaboration
- **Secretariat** – Operational support and member services
